**Cash Point Quarter Horse
Rider / Participant Release from Liability**

Please read this release carefully. By initialing where indicated and signing this release the RIDER or the RIDER'S parent or guardian indicates that they understand and agree to abide by this release.

11. If RIDER is using RIDER'S own horse the horse shall be free from infection, contagious or transmissible diseases. The RIDER shall have a current Coggins test report. CPQH reserves the right to refuse to permit a RIDER to use our property or facilities if not in proper health or no current Coggins test report is presented. CPQH shall be the sole judge of whether a horse is in proper health.
[] RIDER'S or RIDER'S parent or guardian initials.

12. CPQH reserves the right to refuse to permit a RIDER to use our property or facilities if the RIDER'S horse is behaving in a manner that may result in harm or injury to the RIDER, another RIDER, the horse, or another horse. [] RIDER'S or RIDER'S parent or guardian initials.

13. Anyone acting in any manner deemed by CPQH personal to be dangerous or unsafe to themselves or others will be required to leave CPQH property and facilities.
[] RIDER'S or RIDER'S parent or guardian initials.

14. This contract is non-assignable and non-transferable and is made and entered into the State of Tennessee and shall be enforced and interpreted under the laws of Tennessee. 15. Because the arena and stall area are incomplete there are several additional hazards present on CPQH property. These are in a location that could injure a RIDER or horse. There are several piles of construction derbies around the arena. There is a welder in the hall area of the arena. The bracing wires of the arena present a hazard to a horse or RIDER who might be thrown over the arena wall. The east end of the arena has no fencing or wall. The door openings in the west end of the arena have no doors and are only openings. Horses may try to leave the arena through these openings and this may cause injury to the RIDER or the horse. Also the horse may be frightened by these openings particularly when the afternoon sun is shining through them due to limitations of the horse's eyes in high contrast situations. In the pasture around the arena there are several holes dug by wild animals, particularly along the tops of the terraces. Several of the fences on the back of the property are barbed wire.
[] RIDER'S or RIDER'S parent or guardian initials.

16. Located in the barn across the drive from the arena there are numerous pieces of farm machinery stored along with normal farm equipment, parts and tools. RIDERS will not ride, or take their horses in the area of this machinery as it presents a hazard to both horse and RIDER. Children will not be allowed in this barn. Also in this barn there are stacks of hay. Children will not be allowed to play or climb in or on those stacks.
[] RIDER'S or RIDER'S parent or guardian initials.
