

Hoof Trimming Coaching Day

a one-day workshop

Saturday Sept. 17, 2011 9:00am - 4:00pm
Cash Point Quarter Horses Ardmore, AL

Join us for an informal trim coaching day geared towards horse owners who are trimming their horses' hoofs and have questions, or who would like hands-on guidance. Participants bring and trim their own horse or horses with one-on-one coaching when you need it, and auditors - well, audit.

We'll start the day off with a group question and answer session, so come early if you have a hoof care question that's been puzzling you. There were some wonderful questions last time - don't miss this learning opportunity!

Cost: Earlybird Registration begins Mon. Aug. 29 - **sign up now and save!**

\$30 Earlybird registration until 9/16/11, \$45 at the door (limited to 10 spots)

\$5 Earlybird auditor until 9/16/11, \$10 at the door (unlimited auditors)
